Notice of Order Received for Lithium-ion Battery Electrode Coater in Europe

Techno Smart Corp. ("the Company") hereby announces that it received a purchase order today from the contractor under the following contract of coater for Secondary Battery manufacturing.

As announced in the "Notice of Business Alliance with Dürr Systems AG" dated September 4, 2020, the Company concluded a business alliance agreement with Dürr Systems AG for the manufacture and sale of electrode coating lines for lithium-ion batteries in Europe and the United States, and this is the first order received through them.

1. Contract Summary

- (1) Delivery destination
Company with the headquarter in Europe (company name not disclosed)
- (2) Equipment to be delivered
Coater for Secondary Battery manufacturing
- (3) Contract price
Undisclosed (based on the mutual contract)
- (4) Delivery schedule
Based on mutual agreement

2. Future Outlook

This project will have no impact on the financial results for the current fiscal year as revenue will be recognized according to the progress of construction. In addition, for the time being the impact on the Company's business results for the next fiscal year onwards has not yet been determined, but will be promptly announced if any matters arise that should be disclosed in the future.
